

Director Project Finance (m/f/d)

Connected infrastructure capital GmbH (CIC) delivers comprehensive end-to-end services across the entire renewable energies value chain (focus on wind energy) for the European market and is specialised in:

- I. Valuation and acquisition of project companies
- II. Project management and the construction of wind & solar farms
- III. Operation and cost-optimisation for project companies
- IV. Structuring of financing concepts for wind energy projects

CIC acts as an investor and has charted a clear growth strategy in which 500 MW wind farms are to be built or acquired over the coming three years.

We are now looking for an ambitious **Director Project Finance (m/f/d)** to strengthen our team in Hamburg. Join us in advancing the energy transition!

Your responsibilities:

- Structuring and closing of project finance in Europe considering regional requirements
- Coordination and management of financiers (e. g. project finance banks, promotional banks such as European Investment Bank, export credit agencies such as Hermes and institutional investors)
- Development and realization of finance alternatives

Your profile:

- Several years of professional experience in project finance in the field of renewable energies
- Experience in cooperation with promotional banks and in EVA desirable
- Knowledge of the South-East European market is an advantage
- Solution-oriented, reliable, and independent working style
- Very good communication and negotiation skills
- Fluent in German and English
- Willingness to travel

What we offer:

- A diverse scope of tasks and responsibilities
- An open-minded and highly motivated team
- Contribution of own ideas and suggestions for improvements are highly welcome
- Competitive compensation and possibilities for professional and personal growth

We are looking forward to hearing from you!
